Meet the Staff

This year's camps will be directed by the current UM-Dearborn Associate Coach, Don Massey.

The camp staff will be comprised of other College Assistant Coaches as well as UM-Dearborn Collegiate Players.

Focus

The focus of our hockey camps is to develop the player's basic skills including power skating, puck handling, passing/receiving and shooting .

Our coaching staff has extensive experience in individual player development.

The players will be divided into groups within the camp to maximize individual improvement and separate less experienced players from more skilled players.
