

Attention Kids!!!

Welcome to the Virtual Tour Scavenger Hunt...

Instructions: Each of the "7 Wonders" web pages has a scavenger hunt question at the bottom. Each page has information to help you find the location. You must also visit each location to answer the question. Your challenge is to print this page, bring your family to the Natural Area, and find the answer to each question. When you answer the questions, write them on the answer sheet, and turn them in to the Center Staff you will receive a special prize. If you need extra clues, you can ask our friendly naturalist at the Environmental Interpretive Center.

Good Luck!!

1. Find the "Waters of the Rouge" in the Environmental Interpretive Center and fill in the blank. The four branches of the Rouge are _____miles long.
2. Along what trail can you find the floating logs in Hidden Lake?

3. Standing at the Rouge River Overlook, which direction is the water flowing, left or right? _____
4. Can you find taps on any trees in the Sugarbush?_____
5. How many benches are in Jensen's Meadow? _____
6. Can you find the cornerstone on the powerhouse near the waterfall behind Henry Ford's Estate? It was laid on _____October, 1914.
