Dial 9 – 1 – 734 – seven-digit telephone number

Voice Mail

Voice Mail is a computer system that allows you store, retrieve, and share messages using the telephone. Voice Mail is a software feature that can be added to your telephone from the ITD Central Office. For more information on Voice Mail, go to the ITD website – www.itcom.itd.umich.edu. The complete instruction manual is available on the site.

To retrieve Voice Mail messages from an off-campus telephone, dial 313-593-5312 from the Dearborn area and 734-936-2500 from the Ann Arbor area.
