

IGNITE for High School Dual Students

Inspiring Gifted and Nurturing Individuals through Enrichment

IGNITE, an acronym for Inspiring Gifted and Nurturing Individuals Through Enrichment, is a program that provides an opportunity for private/parochial and home-schooled high school students with demonstrated academic potential to enroll in selected UM-Dearborn courses while completing their high school graduation requirements.

The purpose of the program is to supplement and enrich the high school experience by allowing students to pursue course work which otherwise would not be available to them. Students are expected to complete all graduation requirements mandated by their high school. After graduation, admission to a degree program at the University will be granted provided the student meets the minimum admission criteria.

If you have questions about the IGNITE program, please call the UM-Dearborn Office of Admissions and Orientation, 313-593-5100.

Admission Criteria (*IGNITE applicants must be attending a non-public high school. They must also be U.S. citizens or Permanent Resident Aliens.*)

Seniors	A high school GPA of 3.0 or higher
Juniors	A high school GPA of 3.5 or higher

Scholarships

The IGNITE Scholarship pays half of the student's tuition and fees up to a maximum of eight credit hours per term for the fall and winter semesters only. Students do not have to complete a separate scholarship application.

Application Procedures

Students are encouraged to apply as early as possible. The application will not be processed until all of the following have been completed and received:

- IGNITE application (no application fee required)
- Course election permission. Be sure to select alternate courses and sections.
- An official high school transcript

Placement Exams and Registration

- A student may enroll for a maximum of eight credit hours per semester under the IGNITE program. Admission as an IGNITE student does not guarantee that the student will be able to enroll in the class(es) specified on the application, but every effort will be made to accommodate the student's request. Information about registration, including how and when to register, will be mailed to the student.
- If you are planning to register for an English composition, mathematics, or an advanced foreign language class, you must take the appropriate placement exam prior to registration. You may schedule an appointment for placement testing through the Office of Admissions and Orientation, 313-593-5100.

Enrolling During the Summer Semester

A student who wishes to enroll during the summer semester should submit the Summer High School Application or, if the student will have graduated from high school by the time of enrollment, the Guest Application for Recent High School Graduates. Applications may be obtained by calling the Office of Admissions and Orientation, 313-593-5100 or visiting our website at www.umd.umich.edu/otheradmission. Students who enroll during the summer semester are responsible for their own tuition and fees.
