

**MICHIGAN PROMISE SCHOLARSHIP
REQUEST FOR A SINGLE DISBURSEMENT
2007-2008**

I request that the Office of Financial Aid at the University of Michigan-Dearborn disburse my total authorized Michigan Promise Scholarship in the Winter 2008 Term.

- I understand that if a disbursement of my Michigan Promise Scholarship exceeds my tuition for Winter 2008 that a refund check will be sent to my home.**
- I understand that no funds will be held for future tuition charges.**
- I understand that a disbursement of my complete Michigan Promise Scholarship in one term could negatively impact other scholarships, grants or loans that I may have been awarded.**

I have read the above statements of understanding and request that the Office of Financial Aid process my request for a single term disbursement for my Michigan Promise Scholarship.
