

MACOMB COMMUNITY COLLEGE EQUIVALENCY TABLE 2008-09

This equivalency table is intended as a guide for those students who plan to transfer to The University of Michigan-Dearborn. (A companion curriculum guide which outlines distribution and prerequisite requirements for your specific major will support this document in the transfer process. Those guides are available at your community college counseling office or at the UM-Dearborn Admissions Office).

In using this equivalency table students should be aware of the following:

- Exact Equivalent - the exact UM-Dearborn course number will be noted when appropriate
- Lower Distribution – course can be used to meet distribution requirements if appropriate
- General Credit – course will transfer but will not meet distribution requirements
- No Credit – course does not transfer
- Petition – course needs to be petitioned for credit

NOTE:

1. Applied art, applied music, music theory, speech and theater courses **will not** fulfill distribution requirements at UM-Dearborn. *A maximum of 12 credit hours of transfer coursework in applied art, applied music and/or music theory can be counted toward the minimum 120 credit hours required for graduation.* Any course with the grade of C- or below will not be accepted by The University of Michigan-Dearborn.
 2. Students admitted to the Bachelor of General Studies 2+2 Program in the College of Arts, Sciences and Letters (having previously completed an Associate degree) will be eligible to have all coursework (up to a maximum of 62 credit hours) transfer and count toward the minimum 120 semester hours required for the degree. Courses (those designated “NC” on the equivalency table) that would not normally transfer toward a Bachelor of Arts or Bachelor of Science program will transfer as “program general credit” and essentially count as lower level elective credit in the Bachelor of General Studies program only.
- ❖ All students are required to take an English Placement Exam. For those students who do not place at our Composition 105 level, Composition 227 will be required.
 - ❖ It is the student's responsibility to keep in yearly contact with the UM-Dearborn Admissions Office (313-593-5100) to stay abreast with any changes made to the curriculum guides or equivalency table.

In order to be considered for admission, an application, all required transcripts and documentation, and the application fee if applicable must be submitted to the Office of Admissions and Orientation by the first day of class of your desired term of entry.

MACOMB COMMUNITY COLLEGE
Equivalency Guide

MCC COURSES/UM-D COURSES

ACCT - Accounting

1080,1090 ACC 298,299
All other ACC courses are no credit

ANTH - Anthropology

1000 ANTH 101

ARAB – Arabic Language

1260,2911 ARBC 101,102

ARTT - Art

1060,2160 ART 202,201
1070,1360,1370 ART General Credit
1460,1470,1480 ART General Credit
1610,2060,2070 ART General Credit
2170,2200,2560 ART General Credit
2570 ART General Credit
2610,2620 ARTH Lower Distribution

ASTR - Astronomy

1030,1040 PHYS Lower Distribution
1030+1040 PHYS 130

ATAM – Applied Mathematics

No Credit

ATAP – Advanced Processes

No Credit

ATBC - Building Construction and Maintenance

No Credit

ATDD – Drafting and Design

No Credit

ATEE – Electricity and Electronics

No Credit
