Please be advised that individuals seeking a Provisional Secondary Teacher's Certificate earn their degree from the College of Arts, Sciences, and Letters and should follow its distribution requirements. Currently a GPA of 2.75 is required for a major, a minor, professional courses and overall admission into a Certification Program.

NOTE: Teaching majors and minors are highly compatible but not identical to degree requirements in CASL. After transfer, it is important that a student consult with a CASL advisor regarding degree requirements and with a School of Education advisor regarding certification requirements.

“Fingerprinting and criminal background checks are required for work in school settings. Such work is required of all certification students. All background checks must be completed in the first semester of admission to the School of Education.”

By state law, admission to a certification program requires acceptable scores from the Michigan Tests for Teacher Certification (MTTC) Basic Skills Test (reading, writing, mathematics). Each student in a Michigan Teacher Preparation Program must pass the Basic Skills Test before being admitted into a Certification Program. You may obtain a copy of the Michigan Teacher Competency Testing Program Registration Bulletin from Departments and Schools of Education at Michigan colleges and universities, or from the Michigan Department of Education, PO Box 30008, Lansing, MI. 48909, and (517-373-3310) or on-line at www.mttc.nesinc.com.
