Bachelor of Business Administration Curriculum Guide

FOR STUDENTS PLANNING TO TRANSFER TO UM-D FALL 2010 AND LATER

The College of Business faculty has approved a new BBA curriculum effective Fall 2009 for incoming freshmen students and Fall 2010 for all transfer students. Some prerequisites and distribution requirements have changed. The changes are reflected on this transfer guide. Transfer students with questions regarding the change may contact Susan Wells at swells@umich.edu.

Admission directly into the BBA Program requires junior standing (55 credits or more) and completion of the specific requirements listed in this guide. Any student deficient in standing and/or the specific requirements can enter the University of Michigan – Dearborn’s College of Business as a Pre-business student. Students do not have to complete all of the distribution requirements prior to transfer.

Students may declare a BBA with a concentration in Accounting (with tracks in Accounting Information Systems, Controllership, and Financial Accounting and Reporting); Finance; General Business (including a track in Prelaw); Management; Information Technology Management; Marketing; Supply Chain Management; and Human Resource Management. Internships are available to all BBA students.

SPECIFIC REQUIREMENTS (courses required prior to admission to the BBA Program)

- 1) Accounting ACC 110 and 111
- 2) Economics: ECO 101 and 102

A GPA of **2.70** must be maintained in both the overall and specific requirements. Students also must have earned a total of 55 transferable credit hours in order to apply for admission directly into the BBA Program.
