

This is the list serve for the Detroit Metropolitan Area Physics Teachers (DMAPT) serving the physics community in SE Michigan

Royal Oak High School has recently posted a position for a full time Physics teacher - it would be 5 sections of General Physics (a.k.a. Conceptual). The posting asks for someone with a General or Integrated Science endorsement with Physics preferred, just to keep it flexible.

Clearly, if a candidate were to have Physics but not DX or DI, they would qualify.

Anyone interested in applying for this position should visit our employment website at:
<http://www.rosd.k12.mi.us/portal/employment>

Note, there is also an additional posting for a middle school science teacher.

Nicole Y. Murawski
Physics Instructor and Science Dept. Head
