

Adam's K W L chart

K	W	L
<p style="text-align: center;">Seasons</p> <p>We have four seasons: fall, winter, spring and summer.</p>	<p style="text-align: center;">Seasons</p> <p>Why do seasons have different TEMPERATURES?</p>	<p>I learned Some countries have Only 1 or 2 Seasons.</p>
<p>YOU HAVE TO WEAR DIFFERENT CLOTHES FOR DIFFERENT SEASONS.</p>	<p>WHY DO WE HAVE DIFFERENT PRECIPITATION FOR EACH SEASON?</p>	<p style="text-align: center;">Earth</p> <p>The earth is tilted on its axis which effects the four seasons.</p>
<p>Seasons can affect us in many different ways.</p>	<p>Why are all 4 seasons affecting our lives to make us do different things?</p>	<p style="text-align: center;">Climate Zones</p> <p>There are three climate zones. They are tropical, temperate and polar.</p>

Mrs. Awad-Jumah (Cooperating Teacher)
