**DURING THE SUMMER TIME, PEOPLE GO SWIMMING IN THE BEACH,
AND CHILDREN PLAY OUTSIDE IN THE HEAT! They can do lots of things.**

**IN THE Springtime, BeaAUTIFUL WHITE FLOWERS SPROUT from THE
GROUND.**

I SEE LEAVES CHANGING into lots of COLORS, we rake piles of leaves all over the floor!

Even dogs have to cover up in the winter. It's very cold in the winter.

Seasons affect everything like plants and animals.
